

The logo is set against a background of a plate of food, including what appears to be fried chicken and green vegetables. A red diamond shape is centered over the text. The text 'BUGABOO CREEK' is written in a white, jagged, hand-drawn font with a thick black outline, positioned inside the diamond. Below the diamond, the words 'BAR & GRILL' are written in a clean, white, sans-serif font inside a green rounded rectangular box with a black border.
